Deposit

Deposit conditions

- A deposit is charged on some items. These items can be recognised in our shop by the  symbol.

For deposit parts, there is one very **important rule**:

- The article must be returned in the original packaging of the new part delivered by us.
- Deposits must be registered within **1 year** of purchasing the **new** part.

**PLEASE
NOTE!**

If the article is incomplete or cannot be revised, the article is not eligible for a deposit.

Step 1

Deposit application on website Step by step

Go to **Overview returns** under 'My profile'.
This will take you to the page below.
Then click on '**Deposit registration**'.

Home > My account > Overview returns

Step 4

Deposit application on website Step by step

Once you have completed all the previous steps, you will receive an Mail from our return department with the Return Form and follow-up steps as soon as possible.

Print out the return form you received and attach it to your return shipment.

How to send the return to Molco Car Parts?

Return by overnight delivery

Do you use overnight delivery?

Stick a return sticker from Nightstar on the parcel and place it on/in the delivery location.

The next delivery will include the return.

Return by DHL

Do you have your shipments delivered via DHL?

We will schedule a return delivery with DHL.

DHL will then often come by the next working day to collect the shipment.

Make sure the return is ready for quick processing.

Bringing it back yourself

Are you able to return the return to us yourself?

Hand in the return along with the return form to our counter and we will make sure it is processed properly.

8

PLEASE NOTE!

Parts that you return must always be packed in an outer box. This is to prevent damage to the original packaging.
